

Our work with members

We offer tools and resources, as well as support and training. Additionally, members can sign up for one-on-one consultations and workshops.

Our trainings focus on:

- Fundraising & grant writing
- Organisational development
- Community organising
- Advocacy & policy work
- Other specific needs of our members

How can I get involved in your community?

The best way to be involved is to become a member. Our members enjoy the widest range of benefits, including setting TGEU's direction and goals.

As a member, you can:

- Connect to the movement with our network listserv, including trans-info Europe and TGEU members. These listservs provide vital information exchange between trans communities.
- Attend the European Transgender Council. This is the largest gathering of trans activists in Europe and Central Asia. The Council is held every two years to align joint goals and strategies.
- Vote for TGEU leadership and direction. Every two years, TGEU members vote for our Board, as well as approve our strategic direction. Members are also eligible to run to be Board Members.

Our work with members

In addition to our regularly scheduled work with members, we also work with members at the national level to advocate for country-level policy. We have successfully contributed to passing several legal gender recognition laws based on self-determination, and continue to work with local organisations to pass more

You can find out more about our direction and our past work in our Strategic Plan or Member Activity Reports.
